Dear Parents,

The class period is 1-½ hours and divided into 3 sessions:

- The 1st 15 minutes is an introduction. Parents are welcome to attend, thus, to understand the topic of the week(s) and help children to practice at home.
- The 2nd session, about 1 hour, is the class period for children to concentrate on their artwork. Parents would be asked to leave during this classroom.
- The last session, about 15 minutes, is group critique, artwork appreciation, and to clean up. Parents are strongly encouraged to participate. This is also a great opportunity to communicate with instructor and further understand the goal of the curriculum.
